Assumption(s):

A SCOREBOARD can't be posted without a RACE in place

For each RACE will also be its own SCOREBOARD

However, a SCOREBOARD can represent many RACE(s) by distinguishing RACE(s) by RaceID

There must be at least a RACE for a CAR to participate

However, many CAR(s) may participate in a single RACE

A CONSTRUCTOR may exist without representing a CAR

A CAR must and can only represent one CONSTRUCTOR at a time

However, a CONSTRUCTOR can represent many CAR(s)
